Education:

- **ISTQB** (International Software Testing Quality Board) UK testing Board.
- **Pune University BBA** – bachelor's in business administration

Experiences:

Currys PLC, Assistant Category Manager Head office 2022- Present

- Taken the lead on pricing for pay monthly mobile contracts across both online and retail channels, making sure we stay competitive while hitting commercial targets.
- Briefed and rolled out a split-channel pricing strategy that boosted average rates by £3, helping balance profit and performance across 60,000+ tariffs.
- Played a key role in driving a 26% year-on-year sales increase and 8% growth year-to-date by fine-tuning pricing, promotions, and product ranges.
- Helped shape pricing strategies tailored to different sales channels pushing volume online while protecting margins in-store.
- Served as the primary contact for post-pay category inquiries, delivering end-to-end category support to the commercial team and resolving customer disputes for retail colleagues.
- Managed back-end and front-end systems to track processes, coordinated with multiple stakeholders, and ensured timely, accurate resolution of category-related queries.
- Collaborated effectively with pricing, marketing, and buying teams to develop strategic go-to-market plans, secure key product acquisitions, and negotiate commercial agreements that consistently surpassed category forecasts.
- Leveraged comprehensive third-party datasets, including competitor pricing analysis, to benchmark market performance, guide profitable pricing strategies, and enhance supplier relationships.
- Supported the onboarding and integration of new team members, ensuring a seamless transition and promoting a positive team environment.

Currys featuring Carphone Warehouse Branch Manager 2020- 2022

- Held full P&L accountability for a key strategic branch, driving profitable growth and operational excellence.
- Led and trained a high-performing sales team to exceed targets and deliver 5-star customer service.
- Managed financial operations including invoice reconciliation, sales reporting, and budget preparation.
- Collaborated with major tech brands (Sony, Google, Samsung, Huawei, HP) to execute brand strategies and promotions.
- Oversaw compliance, visual merchandising, and internal communications to ensure operational consistency.
- Developed and coached staff at all levels, fostering a culture of continuous improvement and customer focus.

Dixons Retail Currys

Sales & Operations Manager 2019 – 2020

- Navigated a multitude of KPIs in what the business considered the most complex customer journey amongst several categories.
- Regularly achieved KPI targets in key metrics through a robust understanding of the category, what it had to offer, and a tailored, friendly, and candid approach to customer service.
- Created ad-hoc in-day KPI reporting to help deliver support to colleagues in the attainment of personal targets where required.
- Selected to be part of the business-wide store implementation team to help deliver store transformations including revamped merchandising spaces and the deployment of a brand-new gaming category in response to this emerging market.
- Led gaming category in-store.
- Regularly provided technical support to in-store computer repair & support agents.

Dixons Retail Carphone Warehouse
